**Su'aalaha inta
aadan akhrin:**

Sheekadi waa sheeko laga yaqaan dalka Soomaaliya ee ku yaal qaaradda Afrika. Waa maxay xayawaanada laga helo Soomaaliya? Sawir xayawaan kasta sida uu sheekada ugu jiro.

Xayawaankee ah boqorka kaynta? Erayadee u isticmaali lahayd inaad xayawaanka sharaxaad ka bixisid?

Soomaaliya, libaaxyada, xayawaanada kale iyo dadkuba way cunaan geela. Hadii aad haysan lahayd saxan weyn oo hilib ah, side dadka kale ula qeybsan lahayd? Ma adaa wada cuni lahaa? Ma kala bar baa u kala qeybin lahayd? Qofba mar miyuu goosan lahaa cantuugo? Taas ma cadaalad baa?

Waxaad sheekadaku
